**ES** | Las cosas bien hechas también se aplican a la amplia gama de barandillas y pasamanos con anclaje o pletina. Todas realizadas en acero inoxidable AISI-316L, con diseño ergonómico y pulido brillo y suministradas con los accesorios necesarios para su instalación.

**EN** | Well done things are also found in the extensive range of handrails, with anchors or with flanges. All of them made of stainless steel AISI-316L, with an ergonomic design and shiny polish finishing, sold with all the necessary accessories to be installed.

**FR** | Les choses bien faites s'appliquent également à la gamme complète de sorties de bain et de mains courantes à ancrage ou pletine. Toutes sont réalisées en acier inoxydable AISI-316L, avec une conception ergonomique et une finition polie brillante, et fournies avec les accessoires nécessaires à leur installation.
